Annual Meeting: Taking a Look Back And Ahead

[Join the BJC on Monday, June 14th at noon for our Annual Meeting.](#) We will take a look back on all of the work we have accomplished over a year that has been like none other. From legislative victories in Annapolis, to Holocaust education and countering the recent rise in antisemitism. We will also share some of what we are working on in the year ahead.

Additionally, we excited to be joined by Mike Kelly, Executive Director of the Baltimore Metropolitan Council, who will provide an overview of the impacts of the pandemic on the region in such areas as jobs and layoffs, telework, child care, transportation, and more. Mike will also offer a preview of what to expect in the region's recovery. [Register now to join us.](#)

Acting Against Antisemitism

The BJC is proud to have been a participating co-sponsor in the [National Day of Action Against Antisemitism on May 27th.](#) During the virtual rally, we heard from prominent government officials, leaders from the Jewish community and civil rights organizations, and many

others. From the Baltimore community, Rabbi Moshe Hauer opened the rally with a powerful message.

Following the rally, the BJC joined a private briefing with the White House Office of Faith-Based and Neighborhood Partnerships Team to hear an update about steps the Biden administration is taking to combat hate crimes.

Thank you to everyone from Baltimore who joined with thousands of people from around the country. [Watch the rally and take steps](#) to demand that Congress take action against antisemitism. #ActAgainstAntisemitism
