BJC Moves to 101 Mt. Royal Avenue

In March, the BJC completed our move to temporary office space on the second floor of The Associated headquarters building at 101 Mt. Royal Avenue. Our phone numbers and email addresses are the same, as we continue to split our work time between office and home. The Associated building is not yet open to outside visitors, but as we slowly return to in-person programming this year, we will continue to use locations across the community. We hope to be in our new office space within the Park Heights JCC by early 2024.
